

**Invitation to  
Sponsorship & Exhibition**

**PEVoC 2019  
28. — 30. August  
Scandic Falconer, Frederiksberg  
Copenhagen, Denmark**

## Welcome from the chair of the PEVoC 2019 organising committee

Dear Sponsors,

A prestigious European event - the **Pan European Voice Conference (PEVoC)** - will be held on **August 28-30, 2019** at the Scandic Falkoner, Frederiksberg, Copenhagen. The Congress will be devoted to the human voice and related issues. It is the human voice, which is the primary and most important working tool in the 21st century, and enables humans to achieve success in the labour market.

The Congress is intended for clinicians treating voice disorders and scientists studying the principles of human voice production and developing and producing, for instance, voice prostheses for patients suffering from vocal fold cancer. The Conference will be also attended by a number of vocal coaches and voice therapists. Participants mostly arrive from European countries, but a substantial number of them come also from other continents, such as North and South America and Asia. The Conference takes place in two-year intervals in various European countries, and it is usually attended approximately by 500 people. In 2019, it will be held in Copenhagen's Frederiksberg at the Falkoner, Denmark for the first time.

We, as organisers of this international event, would like to offer you the possibility of sponsoring the event while simultaneously presenting your products to the participants of this international multi-disciplinary event. This will enable you to promote your products and help us, the organiser, to fund and arrange this important European Conference successfully.

If you decide to support our important event, we would like to offer you several options of how you can present your products – See the following pages the table of sponsorship possibilities.
